MEMORANDUM FOR THE DEPUTY SECRETARY OF DEFENSE

SUBJECT: Status of Manning and Actions for [25x1]

1. (TS/Sen) The level of manning for the United States [25x1] was recently increased from five officers and two NCOs to nine officers and six NCOs which included a three-man Defense [25x1] At the present time 14 men are in place. The last officer (an expert in Assessments and Evaluations) will deploy from CONUS on 22 June to be in place in [25x1] on 24 June 1970.

2. (TS/Sen) CINCPAC and MACV were directed to discuss the desirability of establishing a Joint Operations Center (JOC) [25x1] which could provide timely intelligence support for free world forces involved. The concept envisioned is that this center would have Cambodian, Thai and SVN representation.

3. (TS/Sen) In order to emphasize the intelligence/information aspects of this center, the center will be referred to as a [25x1] rather than JOC.

4. (TS/Sen) [25x1] was directed on 17 June 1970 to establish an Intelligence Assessment and Evaluation Element. The Intelligence Assessment and Evaluation Element is to:

a. [25x1] the rapidly changing situation in Cambodia.

b. Provide reliable evaluations to MACV, CINCPAC, CONUS and similar assistance to the Cambodians.

c. Maintain a Situation Room in Phnom Penh which will interface with [25x1] and provide secure communications to MACV.
